Hi Brent, his voicemail says essentially the same thing, although he does provide other contact numbers, so I'll forward to you. Thanks! David

David,

I just left you a voicemail. I am trying to get some information on the requirements for the UIC program. I was also hoping to talk to someone about US EPA's letter to California over concerns about its UIC program. Please let me know when a good time to talk would be. Thanks, Michael

Michael Jarred
